Otaki Adventures

Camps are accommodated at the
Waihoanga Centre

or you can visit the

Captivate Adventures

base daily from a nearby venue.

The main objective of our programmes is to increase personal confidence and awareness through Achievement, Group Work and Fun, while learning skills used in the outdoors.

\$120 (to cover accommodation and catering)

* All prices are GST Exclusive

Flexible Programmes for Schools and Youth

We can tailor make programmes to suit your student's needs, time frame and budget. Typical camps run from 2 to 5 days, work with our experienced staff to come up with a camp that captivates your imagination.

Schools and groups may request something different such as a **journey**, or camp with a **special theme**. We are able to explore with you what is possible and cost it accordingly.

Similarly, the school or group may already have challenges such as **physical disabilities**; **special needs** or be considered "**at risk**". We have a long association with designing programmes to suit such groups.

Transport

Can be arranged at competitive prices

Catering

Great meals provided (excluding first day lunch) as part of the programme including fresh fruit.

Please inform us of any special dietary requirements when you book.
